P&G Case 7546M

Examiner Sheikh,

Per our phone discussion, I am faxing to you the entire record of papers which were faxed to the USPTO on August 11, 2003. It appears that when the fax was originally sent to fax # 703-308-3592, the communication would not go through (attached). Therefore, it was resent to fax # 703-872-9306 on August 11, 2003, for which an Auto Reply Transmission was received from the PTO.

There is also a note on the Auto Reply Transmission, from my assistant, G.H. Memory, which states that on 8/12, 12:59pm, she called Examiner Sheikh and left a message of when and what fax # submission was sent on 8/11/2003, due to the failure for the transmission of the original fax number (see attached). If you have any further questions, please feel free to contact me.

Sincerely,
Linda M. Sivik
